COMPANY PROFILE

A fresh space.
A better everyday.

CLEANING / LAUNDRY / FABRIC CARE

2026

01 / WHO WE ARE

Care for every space.

Resident Rinse is a cleaning and laundry brand built around a simple idea: a well-cared-for space makes everyday life easier. Our focus is practical, attentive care for homes, workplaces and the fabrics people use every day.

OUR MISSION

To take the pressure out of cleaning through thoughtful service, clear communication and care for the details that matter.

OUR VISION

To become a trusted name in everyday cleaning and fabric care, helping people enjoy spaces that feel fresh, comfortable and welcoming.

WHAT GUIDES US

Care

Respect for your space.

Consistency

Attention to the details.

Integrity

Clear, honest service.

02 / WHAT WE DO

Our services

01 Residential cleaning

Routine and once-off cleaning for kitchens, bathrooms, bedrooms and living areas, with the scope agreed before each visit.

02 Deep & move-related cleaning

Detailed cleaning for spaces that need extra attention, including move-in and move-out requirements.

03 Laundry, ironing & folding

Everyday clothing and linen care, with fabric instructions and individual handling requirements considered.

04 Upholstery & fabric care

Cleaning enquiries for sofas, mattresses, rugs and carpets, subject to fabric assessment and suitable cleaning methods.

05 Office & small-business cleaning

Agreed cleaning routines for workspaces, reception areas and shared facilities.

Service availability, frequency and pricing are confirmed in your quotation.

03 / HOW WE WORK

Service with accountability.

Good service starts with a clear plan. Our management approach keeps each job organised, from the initial enquiry to the final walkthrough.

01

Understand the brief

Confirm the space, priorities, access arrangements and any surfaces or fabrics that require special attention.

02

Agree the scope

Set out the tasks, timing, exclusions and price so expectations are clear before work begins.

03

Deliver with care

Follow the agreed checklist and handle client property respectfully throughout the service.

04

Review the result

Check completed work against the brief and record feedback for follow-up.
